Transfer Credits from ABCO Technology
Effective from November 16, 2022 to November 16, 2025

DeVry University has developed this Degree Program Transfer Guide to assist students transferring from ABCO Technology to DeVry. This guide doesn't represent all courses required for DeVry programs; rather, it provides a list of courses that, when completed at ABCO Technology may transfer to DeVry. For a complete list of course requirements in each DeVry program, please see the Academic Catalog.

This guide is based on a review of ABCO Technology courses by DeVry as of 11/16/22 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply.

Process
Applicants seeking to transfer credit must:
1. Request a formal credit evaluation prior to beginning their first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please contact a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded upon receipt of an official transcript only.

Limitations and Restrictions
Admission and transfer credit applicability are subject but not limited to DeVry University's admission requirements, program requirements, and academic policies, including but not limited to the external transfer credit policy. Additional state-specific requirements for transfer credit acceptance may apply.

Please note the following:
- A grade of C (70%) or higher is required for all transfer credits to DeVry University. Courses accepted in transfer may not be applicable to the academic program chosen by the student.
- The number of credits granted for any course equivalency may not exceed the number on the transcript associated with the transfer course.
- Curriculum changes at either institution may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

Provisions of this transfer guide do not constitute a contract, expressed or implied, between any applicant or student and DeVry University. Information contained herein is neither an award nor a commitment to award credit at DeVry University.

DeVry University offers online degree programs, undergraduate certificate programs and programs on campus. Visit www.devry.edu to learn more.

The DeVry University program included in this guide is listed below.

Programs Evaluated

The following are the ABCO Technology programs that were evaluated and the corresponding DeVry University programs in which some credit may transfer.

Note: Within certificate programs, ABCO Technology courses below are clock-hour courses. Within the AAS degree program, ABCO Technology courses are quarter-credit hours. DeVry University courses are semester credit hours. DeVry converts clock hours and quarter-credit hours to semester-credit hours.

ABCO Technology Program	DeVry University Bachelor's Degree Program
• A+ Certification	These programs do not meet minimum hour requirements for the Technical Management – General Technical Specialty
• Certified Internet Webmaster	
• Cisco Certified Network Associate	
• Microsoft Certified Solutions Expert (MCSE)	
• Microsoft Office User Specialist (MOUS)	
• Linux Certification	
• Oracle Database Administration	
• Programmer	
• AAS Cybersecurity and Information Technology	Technical Management – General Technical Specialty
• Cyber Security Professional	
• Web Designer and Developer

Bachelor's Degree Program

Technical Management – Bachelor's Degree Program				
DeVry University Courses		**ABCO Technology Courses**		
General Technical Option (27 credit hours) The general technical option (GTO) is designed for students who wish to apply prior coursework to a particular career area. DeVry coursework, qualifying coursework from a prior college experience, or a combination of DeVry and qualifying prior coursework may apply. The following disciplines can apply to the GTO with a minimum of 23 credit hours in a particular career area. The remaining four credit hours are taken at DeVry. The following are examples of course distribution into the GTO. Other courses not listed may apply to the GTO.				
Cybersecurity and Information Technology Specialist				
• ELTV1TR	Technical Specialty Credit	• CS 100	CompTIA IT Foundations	
• ELTV1TR	Technical Specialty Credit	• CS 101	A+ Certification	
• ELTV1TR	Technical Specialty Credit	• CS 102	Network + Certification	
• ELTV1TR	Technical Specialty Credit	• CS 110	Security + Certification	
• ELTV1TR	Technical Specialty Credit	• CS 115	Linux Administration	
• ELTV1TR	Technical Specialty Credit	• CS 120	Cisco Certified Network Associate	
• ELTV1TR	Technical Specialty Credit	• CS 223	Security Administration & Ethical Hacking	
• ELTV1TR	Technical Specialty Credit	• CS 225	Cyber Security Systems Analyst	
• ELTV1TR	Technical Specialty Credit	• CS 230	Microsoft Certified: Azure Fundamentals	
Cyber Security Professional				
• ELTV1TR	Technical Specialty Credit	• CS 100	CompTIA IT Foundations	
• ELTV1TR	Technical Specialty Credit	• CS 101	A+ Certification	
• ELTV1TR	Technical Specialty Credit	• CS 102	Network + Certification	
• ELTV1TR	Technical Specialty Credit	• CS 110	Security + Certification	
• ELTV1TR	Technical Specialty Credit	• CS 115	Linux Administration	
• ELTV1TR	Technical Specialty Credit	• CS 120	Cisco Certified Network Associate	
• ELTV1TR	Technical Specialty Credit	• CS 123	Certified Ethical Hacker	
• ELTV1TR	Technical Specialty Credit	• CS 125	Certified Security Analyst	
• ELTV1TR	Technical Specialty Credit	• CS 127	Penetration Tester	
Web Design and Developer				
• ELTV1TR	Technical Specialty Credit	• CS 230	Microsoft Certified: Azure Fundamentals	
• ELTV1TR	Technical Specialty Credit	• WD 101	CIW Site Development Associate	
• ELTV1TR	Technical Specialty Credit	• WD 102	CIW User Interface Designer (UI)
