

**Articulation Agreement
between
DeVry University
and
Mt. Sierra College**

This Articulation Agreement (the "Agreement") dated as of June 25, 2019 (the "Effective Date") is by and between Mt. Sierra College, Inc. ("Mt. Sierra"), a California corporation and DeVry University, Inc., an Illinois corporation ("DeVry").

WHEREAS, Mt. Sierra and DeVry wish to establish an arrangement to provide educational opportunities to Eligible Individuals (as defined in Appendix A) of Mt. Sierra, leading to credit transfer opportunities to such Eligible Individuals who are matriculated students of DeVry;

NOW THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Terms and Conditions

Appendix A the terms of which are incorporated herein by reference, sets forth additional terms and conditions of this Agreement and forms an integral part of this Agreement.

2. Requirements

A. This Agreement will enable Eligible Individuals who matriculate into DeVry programs to use certain Mt. Sierra courses to meet degree requirements within DeVry programs by applying transfer credit as specifically outlined in Appendix B, subject to the specific requirements of the selected DeVry programs. The details of which Mt. Sierra courses may be so transferred and how DeVry will accept such transferred course credits is set forth on Appendix B hereto, the terms of which are incorporated herein by reference.

B. DeVry reserves the right to deny admission to a student if such student cannot meet DeVry's requirements for admission, as amended from time to time. Additionally, DeVry may terminate a student's enrollment for violation of any rule, policy or procedure of DeVry, as amended from time to time, in the same manner as DeVry may terminate the enrollment of any student at large. Causes for termination of the student's enrollment include, but are not limited to, the student's failure to make timely payments of tuition and/or related fees.

C. This Agreement is made explicitly subject to the terms of DeVry's admissions requirements, academic policies, program requirements, and course descriptions, including but not limited to the DeVry academic catalogs and academic policy regarding transfer of external credit (all of the foregoing collectively referred to herein as the "DeVry Policies"). In developing Appendix B, the parties have also taken into consideration the Institution's catalogs, course descriptions, and other relevant information provided by Mt. Sierra to DeVry. In the event of any conflict between or among the documents mentioned in this Section 2(C) or elsewhere in this Agreement, the terms of the DeVry Policies shall prevail.

D. Undergraduate students admitted to DeVry will be required to meet the same minimum admissions requirements as other of DeVry's similarly situated undergraduate students, including but not limited to:

- i. High school diploma or equivalent or a post-secondary degree (as set forth by standard international transcript evaluation policies) from an appropriately accredited school as determined by DeVry;
 - ii. All other standard DeVry admissions, placement and program requirements; and
 - iii. English-proficiency requirements for nonnative speakers of English (if applicable) as defined in the academic catalog.
- E. Graduate students admitted to DeVry's Keller Graduate School of Management will be required to meet the same minimum admission requirements as all other U.S.-based DeVry/Keller graduate students, including but not limited to:
- i. An earned baccalaureate degree from a DeVry-recognized post-secondary institution consisting of institutions accredited by U.S. regional accrediting agencies or national accrediting agencies as selected by DeVry, and international institutions recognized by DeVry as the equivalent. International applicants must hold a degree recognized by DeVry as equivalent to a U.S. baccalaureate degree. Applicants must also demonstrate quantitative and verbal skills proficiency as defined in the Keller Graduate School of Management Academic Catalog;
 - ii. All other standard DeVry admissions, placement and program requirements; and
 - iii. English-proficiency requirements for nonnative speakers of English (if applicable) as defined in the Keller Graduate School of Management academic catalog.
- F. To graduate, all students must meet the residency requirement for their academic program as noted in the Academic Catalog. In addition, undergraduate students must meet upper-division course requirements for their chosen DeVry program.
- G. Only Eligible Individuals who matriculate into DeVry programs may apply to DeVry for the course-to-course transfers outlined in Appendix B, subject to this Agreement, the specific requirements of the selected degree program and any other DeVry Policies. Students are required to submit an official transcript from every institution they previously attended regardless of whether credit was earned. It shall be the student's responsibility to request any permitted credit transfer in accordance with the DeVry Policies and this Agreement.
- H. To facilitate this agreement, the Mt. Sierra will provide official transcripts for students transferring to DeVry including copies of high school transcripts on file, given authorization of the student to DeVry University. In addition, DeVry University may waive the residency requirement where applicable with approval from the provost or designee.

3. Disclaimer, Limitation and Indemnification

A. DeVry hereby disclaims all warranties, including without limitation, any implied warranty of merchantability or fitness for a particular purpose. Notwithstanding anything to the contrary, DeVry's aggregate maximum liability arising from or in any way related to this Agreement (whether in contract, tort, strict liability or otherwise) shall not exceed One Thousand Dollars (\$1,000). In no event will DeVry be liable for any indirect, consequential, incidental, special or punitive damages of any kind.

B. Mt. Sierra shall indemnify and hold harmless DeVry against all claims, loss, cost, damages and liability (including reasonable attorneys' fees) relating to or arising in any way in connection with: (i) the breach by Mt. Sierra of any provision of this Agreement, including but not limited to breach of any limited license granted under Appendix A; (ii) any claim brought against DeVry by any current or former student of Mt. Sierra relating in any way to the subject matter of this Agreement, except to the extent caused by the gross negligence or willful misconduct of DeVry; or (iii) the operation of this Agreement, except to the extent caused by the gross negligence or willful misconduct of DeVry.

C. The terms of this entire Section 3 shall survive termination of this Agreement for any reason.

4. Miscellaneous

A. This Agreement contains the entire agreement between the parties and supersedes all prior or contemporaneous agreements, discussions, or representations with respect to the subject matter hereof.

B. The relationship established under this Agreement shall be that of independent contractors and neither party shall be, nor hold itself out to the public as being, an employee, agent, joint venturer or partner of the other. Neither party shall have authority to contract for or bind the other in any manner. There is no intended or actual third party beneficiary of this Agreement.

C. Neither party may assign or transfer its rights or obligations under this Agreement without the prior written consent of the other party. Failure of a party to enforce any provision of this Agreement will not be a waiver of such provision nor of the right to enforce such provision.

D. If any provision of this Agreement is held to be invalid or unenforceable by a court of competent jurisdiction, the validity and enforceability of the remaining provisions will not be affected thereby.

E. In the event of any dispute between the parties regarding the terms of this Agreement or the obligations of any party hereunder, all such disputes shall be referred to binding arbitration by a single arbitrator in Illinois under the arbitration rules of the American Arbitration Association.

F. This Agreement shall be interpreted in accordance with the laws of the State of Illinois, without regard to its conflict of laws provisions. Any action brought pursuant to or in connection with this Agreement shall be brought only in the state or federal courts within the State of Illinois.

G. Each party signing this Agreement represents that it has been signed by an individual who is authorized by his or her entity to enter into this Agreement on behalf of such entity.

H. Any Appendix referenced in this Agreement is hereby incorporated herein by reference. In the event of any conflict between the terms of body of this Agreement and the terms of any Appendix, the terms of the body of this Agreement shall prevail.

I. Notices under this Agreement shall be deemed given (a) on the following business day when sent by overnight courier; or (b) three (3) days following registered mailing, in each case to the other party at the address specified below or such new address as a party shall communicate to the other in writing from time to time.

IV. Eligible Individuals

This program will be available only to "Eligible Individuals" who shall be defined as students of Mt. Sierra who meet the following qualifications in addition to all other requirements set forth in the Agreement: None.

V. Additional Terms

a. Notwithstanding the terms of Section 2(D) of the Agreement, no graduate of a Mt. Sierra academic program will be denied admission to DeVry on the basis of any admissions test score. Students admitted under this Agreement may be tested for placement purposes. Certain programs have separate requirements

for assessment and placement. The score obtained on such placement tests may result in the need for the student to successfully complete appropriate transitional studies coursework which may affect program length and cost.

b. Graduates of Mt. Sierra programs who matriculate into the applicable DeVry programs may apply the specific transfers outlined in Appendix B, subject to the specific requirements of the selected degree program.

c. In addition to subsection V(b) above, graduates of the diploma or associate degree programs of Mt. Sierra may transfer other course credits not specified on Appendix B into DeVry's degree programs listed above, subject to all DeVry admissions, program and course transfer requirements and policies.

d. In the event that a student elects to enroll and attend both DeVry and Mt. Sierra simultaneously, students will be responsible for those costs and expenses related to their studies at each academic institution. These costs are stated in the current catalog in effect at each academic institution. This Agreement does not entail economic responsibility on the part of the respective participating academic institutions. In addition, each academic institution will be responsible for the disbursement of the financial aid pertaining to the students who are eligible during the period of time that they are enrolled in the respective academic institution. Also, each academic institution will implement any procedures required to achieve satisfactory academic progress. Each will also maintain student records and, if applicable, will comply with the federal regulations governing the use of Title IV funds.

e. Both academic institutions agree that they will promptly inform the other of any substantive changes in academic requirements, course or programs of study or any other change that may affect this Agreement.

f. For purposes of clarity, the references to "academic institutions" is intended to refer to both DeVry and Mt. Sierra.

Sierra shall (1) discontinue all use of DeVry Licensed Marks; (2) discard, destroy or delete any printed and electronic materials containing DeVry Licensed Marks; and (3) refrain from any use of DeVry Licensed Marks or marks similar to DeVry Licensed Marks. Sierra Licensed Marks during the term of this Agreement solely for promotion of educational opportunities and programs as contemplated by this Agreement in the Mt. Sierra Territory. Mt. Sierra hereby represents and warrants that it has all requisite authority to grant the foregoing license.

(iv) Upon any termination or expiration of this Agreement or this Section VI(c), howsoever occasioned, DeVry shall: (1) discontinue all use of Mt. Sierra Licensed Marks; (2) discard, destroy or delete any printed and electronic materials containing Mt. Sierra Licensed Marks; and (3) refrain from any use of Mt. Sierra Licensed Marks or marks similar to the Mt. Sierra Licensed Marks. This Section VI(c)(iv) shall survive termination of this Agreement for any reason.

VII. Term, Renewal, Changes and Termination

a. Subject to the other terms of this Agreement, this Agreement shall be in effect for one (1) year from the Effective Date. Thereafter this Agreement will automatically renew for periods of one (1) year each until June 25, 2025 or until terminated by either party upon providing thirty (30) days prior written notice to the other party, whichever is sooner. Notwithstanding the foregoing, either party may terminate this Agreement upon ten (10) days notice to the other party in the event of a material breach of this Agreement by the other party, which breach is not cured during such notice period.

This Agreement must be reviewed annually for continued validity, applicability, and the addition of new courses and programs at DeVry and new courses and programs at Mt. Sierra, and the appropriate Mt. Sierra Officer and the DeVry Chief Academic Officer, or their designees, may make modifications to this Agreement by written amendment only.
