WHEREAS, OnlineDegree.com and DeVry wish to establish an arrangement to provide educational opportunities to Eligible Individuals (as defined in Appendix A) of OnlineDegree.com, leading to credit transfer opportunities to such Eligible Individuals who are matriculated students of DeVry;

NOW THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Terms and Conditions

Appendix A the terms of which are incorporated herein by reference, sets forth additional terms and conditions of this Agreement and forms an integral part of this Agreement.

2. Requirements

A. This Agreement will enable Eligible Individuals who matriculate into DeVry programs to use certain OnlineDegree.com courses to meet degree requirements within DeVry programs by applying transfer credit as specifically outlined in Appendix B, subject to the specific requirements of the selected DeVry programs. The details of which OnlineDegree.com courses may be so transferred and how DeVry will accept such transferred course credits is set forth on Appendix B hereto, the terms of which are incorporated herein by reference.

B. DeVry reserves the right to deny admission to a student if such student cannot meet DeVry’s requirements for admission, as amended from time to time. Additionally, DeVry may terminate a student’s enrollment for violation of any rule, policy or procedure of DeVry, as amended from time to time, in the same manner as DeVry may terminate the enrollment of any student at large. Causes for termination of the student’s enrollment include, but are not limited to, the student’s failure to make timely payments of tuition and/or related fees.

C. This Agreement is made explicitly subject to the terms of DeVry’s admissions requirements, academic policies, program requirements, and course descriptions, including but not limited to the DeVry academic catalogs and academic policy regarding transfer of external credit (all of the foregoing collectively referred to herein as the “DeVry Policies”). In developing Appendix B, the parties have also taken into consideration the OnlineDegree.com’s course descriptions, and other relevant information provided by OnlineDegree.com to DeVry. In the event of any conflict between or among the documents mentioned in this Section 2(C) or elsewhere in this Agreement, the terms of the DeVry Policies shall prevail.

D. Undergraduate students admitted to DeVry will be required to meet the same minimum admissions requirements as other of DeVry's similarly situated undergraduate students, including but not limited to:

- i. High school diploma or equivalent or a post-secondary degree (as set forth by standard international transcript evaluation policies) from an appropriately accredited school as determined by DeVry;
- ii. All other standard DeVry admissions, placement and program requirements; and
- iii. English-proficiency requirements for nonnative speakers of English (if applicable) as defined in the academic catalog.

E. To graduate, all students must meet the residency requirement for their academic program as noted in the Academic Catalog. In addition, undergraduate students must meet upper-division course requirements for their chosen DeVry program.

F. Only Eligible Individuals who matriculate into DeVry programs may apply to DeVry for the course-to-course transfers outlined in Appendix B, subject to this Agreement, the specific requirements of the selected degree program and any other DeVry Policies. Students are required to submit an official transcript from every institution they previously attended regardless of whether credit was earned. It shall be the student's responsibility to request any permitted credit transfer in accordance with the DeVry Policies and this Agreement.

3. Disclaimer, Limitation and Indemnification

A. DeVry hereby disclaims all warranties, including without limitation, any implied warranty of merchantability or fitness for a particular purpose. Notwithstanding anything to the contrary, DeVry's aggregate maximum liability arising from or in any way related to this Agreement (whether in contract, tort, strict liability or otherwise) shall not exceed One Thousand Dollars (\$1,000). In no event will DeVry be liable for any indirect, consequential, incidental, special or punitive damages of any kind.

B. OnlineDegree.com shall indemnify and hold harmless DeVry against all claims, loss, cost, damages and liability (including reasonable attorneys' fees) relating to or arising in any way in connection with: (i) the breach by OnlineDegree.com of any provision of this Agreement, including but not limited to breach of any limited license granted under Appendix A; (ii) any claim brought against DeVry by any current or former student of OnlineDegree.com relating in any way to the subject matter of this Agreement, except to the extent caused by the gross negligence or willful misconduct of DeVry; or (iii) the operation of this Agreement, except to the extent caused by the gross negligence or willful misconduct of DeVry.

C. The terms of this entire Section 3 shall survive termination of this Agreement for any reason.

4. Miscellaneous

A. This Agreement contains the entire agreement between the parties and supersedes all prior or contemporaneous agreements, discussions, or representations with respect to the subject matter hereof.

B. The relationship established under this Agreement shall be that of independent contractors and neither party shall be, nor hold itself out to the public as being, an employee, agent, joint venturer or partner of the other. Neither party shall have authority to contract for or bind the other in any manner. There is no intended or actual third party beneficiary of this Agreement.

C. Neither party may assign or transfer its rights or obligations under this Agreement without the prior written consent of the other party. Failure of a party to enforce any provision of this Agreement will not be a waiver of such provision nor of the right to enforce such provision.

D. If any provision of this Agreement is held to be invalid or unenforceable by a court of competent jurisdiction, the validity and enforceability of the remaining provisions will not be affected thereby.

E. In the event of any dispute between the parties regarding the terms of this Agreement or the obligations of any party hereunder, all such disputes shall be referred to binding arbitration by a single arbitrator in Illinois under the arbitration rules of the American Arbitration Association.

F. This Agreement shall be interpreted in accordance with the laws of the State of Illinois, without regard to its conflict of laws provisions. Any action brought pursuant to or in connection with this Agreement shall be brought only in the state or federal courts within the State of Illinois.

G. Each party signing this Agreement represents that it has been signed by an individual who is authorized by his or her entity to enter into this Agreement on behalf of such entity.

H. Any Appendix referenced in this Agreement is hereby incorporated herein by reference. In the event of any conflict between the terms of body of this Agreement and the terms of any Appendix, the terms of the body of this Agreement shall prevail.

I. Notices under this Agreement shall be deemed given (a) on the following business day when sent by overnight courier; or (b) three (3) days following registered mailing, in each case to the other party at the address specified below or such new address as a party shall communicate to the other in writing from time to time.
