

## American Banking Association (ABA) – College Credit For Corporate Training

February, 2016

Please follow the process outlined below to determine if the training you've taken at **ABA** qualifies for DeVry University college credit:

1. Apply for admission to DeVry University and work with your Admissions Representative to request evaluation of **ABA** training. Existing DeVry students should request the evaluation through their Academic or Student Services Advisor.
2. Please reference the matrix below for a list of courses that carry an ACE recommendation and are eligible for transfer to DeVry University.
3. An ACE transcript must be requested and submitted to DeVry in order for evaluation of courses to take place. ACE transcripts can be requested via the following link: [ACE Transcript Service](#)
4. Evaluation results will be disseminated to you via your Admissions Representative or Academic Advisor.
5. Work with your Admissions Representative to move forward with registration.

**IMPORTANT: ABA employees should work directly with their Admissions Representative or Academic/Student Services Advisor regarding evaluation of ABA training. However, should there be any questions or concerns with the process above please contact: [corporateEDCS@devry.com](mailto:corporateEDCS@devry.com) OR call 877-543-3879**

This agreement should be re-evaluated in 2017 when courses are up for review

The American Bankers Association coursework listed on the chart above can be applied to DeVry University undergraduate programs that include the specific corresponding DVU course or allow for elective credits. Students must meet with an advisor to review how individual credit taken will apply to their chosen DVU program. Residency requirements: students must earn at least 25% of their programs' required credit hours or a minimum of 30 semester credit hours, whichever is greater, through coursework completed at DeVry. This information is based on coursework in each DeVry University program as of 01/27/2016 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply. For a current and complete list of course requirements in each DeVry program, please see the Academic Catalog <http://www.devry.edu/degree-programs/catalogs.html>

**Disclaimer**

Undergraduate: An applicant seeking to transfer credit from another institution must request a credit evaluation prior to beginning the first class at DeVry University and must provide an official transcript from the institution where the credit was earned. A maximum of 80 DeVry credit hours may be awarded for lower-division or community college courses. To graduate, students must earn at least 25 percent of their programs' required credit hours or a minimum of 30 semester-credit hours, whichever is greater, through coursework completed at DeVry University. Higher program-specific requirements may be imposed for internal or external transfer students.
